OWNER'S STATEMENT

This is really a top, top prospect. Anthony Boko was the most expensive Revenue yearling colt the year he sold, and he has not disappointed. Last year Anthony Boko trained down to 2:20 and we decided to give him more time to mature. A big, stout, good looking colt that will be ready and qualified by sale time. The Revenue offspring, as everyone knows, get better as three-year-olds. Anthony Boko has been staked very extensively and will be a very nice addition to any racing stable. Reason for selling, need to concentrate on the farm and broodmares. To train or jog Anthony Boko or for more information, please call Ernie at 609-529-1600. Check for updates. For further information please contact Geoffrey Stein or David Reid at 914-773-7777 or visit www.preferredequine.com.
